2025

Special Session: Bioinformatics and Computational Biology

5th Edition

🧬 Featured Topics

• Machine Learning in B&CB

• Genetic Algorithms in B&CB

• Network Analysis in B&CB

• Neural Networks & AI in B&CB

• Medical Image Analysis

• Clinical Data Analysis

• Computational Approaches

• Data Mining & NLP

Submitted papers should adhere to the specifications in 2025 IEEE/ROPEC conference author guidelines. Each submission to the special session will undergo the same revision process as papers submitted to ROPEC 2025. Submission implies the willingness of at least one of the authors to register and to present the communication at the conference if it is accepted. All accepted papers will be published in a memory and the proceedings will be indexed by IEEExplore.
