The following error appeared in the paper by G. I. Webb, “Discovering significant patterns,” published in volume 68 number 1.

On page 5, the sentence “Redundant rule constraints discard rules $x \rightarrow y$ for which $\exists z \in x : \text{support}(x \rightarrow y) = \text{support}(x-z \rightarrow y)$ ” should read “Redundant rule constraints discard rules $x \rightarrow y$ for which $\exists z \in x : \text{coverage}(x \rightarrow y) = \text{coverage}(x-z \rightarrow y)$.”
