

# Title of your contribution abstract

Author One<sup>1</sup> and Author Two<sup>2</sup>

<sup>1</sup>*Affiliation Author One*

<sup>2</sup>*Affiliation Author Two*

Use this template to write your contribution abstract for the I Mexican Symposium in NIRS Neuroimaging (MexNIRS) 2017. Please keep your abstract length at one page and do not change the margins nor the font type and size. Margins are set to 2.54 cm (top and bottom) and 2.31 cm (left and right). Font type is Times New Roman and size is set to 11pt. Interline space must be set to single in Word or to 0.8 times the default value in LaTeX. Paragraphs are indented.

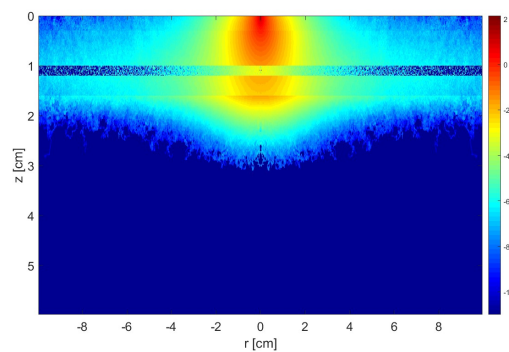

Figure 1: Sample figure

Figures, tables and references are allowed in free style as long as the one page limit is not exceeded, and must be referenced using only the title and number but not the caption e.g. Fig. 1 shows.... Document must be submitted in PDF format. Use numbered and bracketed style for citations e.g. [1-3].
