

MCPR2015

June24-27, Mexico city, Mexico

Call For Papers

The 7th Mexican Conference on Pattern Recognition (MCPR2015) will be held in Mexico City, Mexico from June 24 to June 27, 2015, under direction of the Center for Computing Research of the National Polytechnic Institute (CIC-IPN) and the Computer Science Department of the National Institute for Astrophysics Optics and Electronics (INAOE); with the consent of the Mexican Association for Computer Vision, Neurocomputing and Robotics (MACVNR), which is affiliated to the IAPR.

Very well renowned Professors have been invited to give keynote addresses:

- Professor Xiaoyi Jiang
University of Munster, Department of Computer Science, Germany
- Professor Daniel P. Lopresti
Lehigh University, Department of Computer Science and Engineering, USA
- Professor Martin Hagan
Oklahoma State University, School of Electrical and Computer Engineering, USA

Topics

Authors are invited to submit contributions including, but not limited to the following areas:

- Data Mining
- Natural Language Processing and Recognition
- Discrete Geometry
- Document Processing and Recognition
- Fuzzy and Hybrid Techniques in Pattern Recognition
- Image Coding, Processing and Analysis
- Industrial and Medical Applications of Pattern Recognition
- Bioinformatics
- Logical Combinatorial Pattern Recognition
- Mathematical Morphology
- Neural Networks

- Artificial Intelligent Techniques and Recognition
- Pattern Recognition Principles
- Robotics & Remote Sensing Applications of Pattern Recognition
- Shape and Texture Analysis
- Signal Processing and Analysis
- Special Hardware Architectures
- Statistical & Structural Pattern Recognition
- Voice and Speech Recognition
- Parallel and Distributed Pattern Recognition
- Neural Networks and Associative Memories

All the 10 A4-pages papers will be submitted and presented at the conference in English. All submissions will be blind peer reviewed for originality, technical content and relevance to the theme of this conference by three members of the Scientific Committee. The final acceptance will be based upon peer review of the full-length paper.

Accepted papers will appear in the workshop proceedings published by Springer in the LNCS series.

The papers should be submitted electronically before January 23, 2015 through the [EasyChair](#) System and prepared following the instructions from [LNCS](#) series.

Submission implies the willingness of at least one of the authors to register and to present the communication at the conference, if it is accepted.

Important dates

Deadline for paper submission:	January 23, 2015 February 13, 2015 February 20, 2015
Notification of acceptance:	March 9, 2015 March 20, 2015 March 30, 2015
Camera-ready:	March 20, 2015 April 6, 2015
Conference:	June 24-27, 2015
